MARIN'S - 2020 Cabernet Sauvignon

Marin's vineyard is located in the San Antonio Valley AVA of Southern Monterey County. It's planted on a slope averaging 7% with a soil type identified as the Nacimiento Soil Series. The first representative soil layer is comprised of dark brown, calcareous silty clay loam followed by calcareous shale and rocks, more and more rocks, then a layer of weathered sandstone. They observe sustainable practices in the vineyard and try to honor the ground where vines are planted. This includes maintaining and supporting the biodiversity surrounding the vineyard. They try to be conscious farmers with minimal intervention.

This Cabernet Sauvignon displays characteristics of black cherry and licorice with supple tannins on the finish. Only 6 barrels of this wine were produced. Aged for 18 months with 15% new french oak.

MUIRWOOD - 2021 Zanetta Vineyard Chardonnay

The grapes were crushed and pressed, separating the free run juice from the press juice. Free run juice was then fermented in stainless steel tanks at cool temperature to preserve the fruit aromas and flavors. The free run wine was transferred to French oak barrels to finish the fermentation and aging, adding complexity and structure to the wine. 80% malolactic fermentation was completed, as a few barrels were arrested in order to preserve freshness and acid backbone. The wine was aged for 9 months in French oak barrels, with occasional stirring of the lees to enhance the mouthfeel and flavor of the wine.

A fragrant and floral nose of honeysuckle and ripe green apple, rich and creamy mid-palate with lemon cream and hints of white peach, a smooth finish with light toasty oak and vanilla.

MONTOYA - 2022 Cabernet Sauvignon (Club Red)

Monterey's cool fog and slow ripening season led to an incredibly rich Cabernet Sauvignon 2022 vintage. Pure Cabernet characteristics with immense color and flavors. The Monterey American Viticultural Area (AVA) has day-to-night swings of up to 50 degrees producing vibrant, lusciously flavored grapes. Most of the grapes for the Montoya Cabernet Sauvignon come the Wiley Ranch Vineyard, giving them control over quality from the time the vines are planted until grapes are harvested. The warm, sunny conditions in this vineyard are noted for producing richly textured Cabernet Sauvignon.

They harvested and destemmed in the vineyards during cool night hours to preserve the grapes' crispness and aromatics. After harvest, the grapes were cold soaked for 48 hours then began a long warm fermentation. The wine aged for 12 months in lightly seasoned French Oak barrels. The wine received a gentle filtration prior to bottling.

Aromas of dark rich plum, followed by blackberry pie, spice, and blueberry jam.

MARIN'S - 2021 Reserve Viognier (Club Blanc)

Thoughtfully hand-crafted wines that reflect their grass root efforts and ranching heritage - specializing in Viognier, Cabernet Sauvignon, and Malbec in southern Monterey county. Family owned and operated by Brenda, Duane, and Marin Wolgamott.

Marin Wolgamott split the fermentation in two lots - barrel fermentation and stainless. The barrel fermentation is a slightly warmer fermentation that the yeast produces more floral aromatics. The wine in barrel also aged on the lees for 6 months, building mouthfeel and creates a more silky structure. The stainless fermentation is low and slow, keeping it at colder temperatures to maintain the delicate fresh stone fruit aromatics and bright acidity. Blended together it's 70% barrel fermentation and 30% stainless fermentation, making it a perfectly balanced Viognier that is vibrant and aromatic with hints of nectarine and white peach.

100% Viognier

14.0% Alcohol
